

Emails should be sent from the official night market email.

Here's an email template:

Dear (contact name):

This is (your name), (your role) of the [insert your location] Night Market. I'm contacting you to invite your (restaurant/grocery store/bakery) (name of establishment) to participate in our food recovery program. We are a non-profit organization that has been active in Davis since 2019, reducing food waste and food insecurity in our community. We recover food that would otherwise go to waste from various businesses in Davis at closing time, and immediately take it to Central Park to redistribute it freely to those in need.

We currently hold a Food Service permit from [insert your location] County that allows us to distribute pre-cooked food items, as well as produce and non-perishables. All donations are legally covered by the Federal Good Samaritan Food Donation Law of 2018, protecting the donating business. All you have to do is give us a time and have your left-overs ready for us, and we'll show up and do the rest. Our volunteers are in charge of portioning the food into compostable containers and transporting it to the [insert your location] using bike trailers, because, yes, we also strive for making our activities zero emissions!

During the pandemic we have had an increase of people seeking our service and are looking to increase our offerings. Do you want to join the [insert your donors] in helping your community and the environment? It's easy!

Currently, we hold our events four nights a week (Monday through Friday), and we can accommodate one or all of these nights.

Looking forward to hearing from you!
(your name)
